Our Mission

"Through our all-rounded expertise and competencies, we add value to organizations by providing innovative AV / ICT / Conferencing / Collaborative Learning Furniture / Infection Prevention and Office Solutions with efficiency and great customer service.

Customer satisfaction is our primary goal and fundamental element of our mission."

OVERVIEW PROFILE

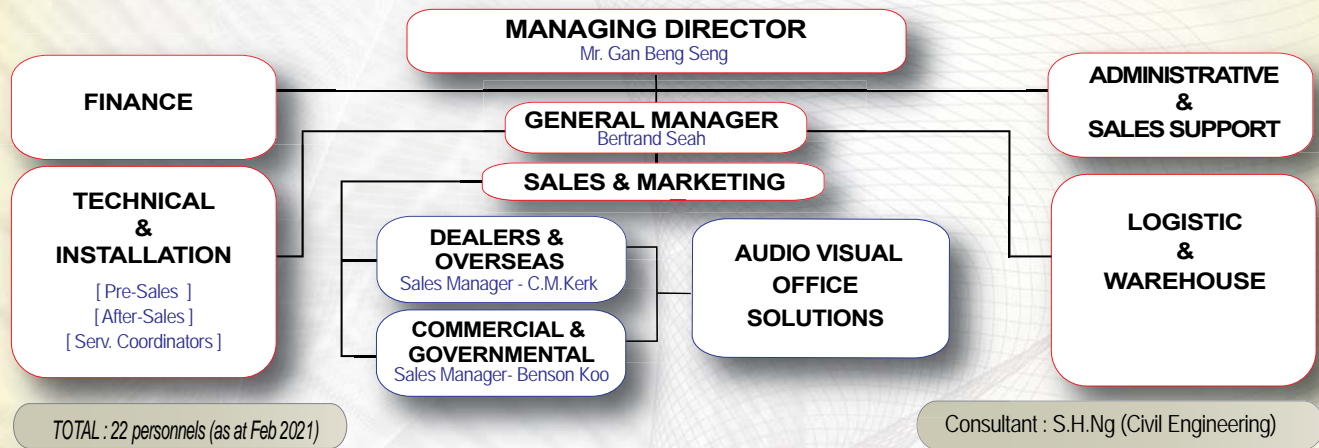

Realizing the needs of constant improvement in our customer service, we moved to our present company-owned premises on 1 July 1998, which encompasses a large showroom, workshop, warehouse & office, all under one roof.

Till to date, we are very glad to have a well displayed SHOWROOM with AV and Office Solutions for demonstration needs.

We care to do professional marketing and great after-sales service with a fleet of over 10 vans covering islandwide

Today, we are serving in Singapore and ASEAN and SOUTH ASIA for some of our OFFICE SOLUTION products, as per detailed in our 4-pages leaflet and website.

We cordially invite you to visit our website and showroom for a good product understanding, and look forward to be of great service to you and to develop a successful and mutual beneficial relationship.

WHY CHOOSE AV-SCIENCE
